

Your Home Preparation Checklist

The preparation checks and separate final review recorded for your home before move-in. Each result should reflect a completed check, not simply a scheduled task.

COMMUNITY	YOUR HOME	REVIEW DATE (SAMPLE)
Sample Community	Unit 101	September 7, 2026

1. Technician preparation record

Example: two bedrooms, one bathroom. Actual reports list applicable rooms and equipment.

Check	Example result
Entry, living room and bedrooms 1 & 2	
Entry lock, latch and door operation checked	Checked
Interior doors, closet doors and hardware checked	Checked
Window opening/closing and latches checked in each room	Checked
Installed lights, switches and ceiling fans checked	Checked
Kitchen	
Sink, faucet and drain checked; visible plumbing reviewed for leaks	Checked
Refrigerator/freezer operation and door seals checked	Checked
Range burners and oven operation checked	Checked
Dishwasher cycle, drain and visible connections checked	Checked
Disposal and exhaust fan operation checked	Checked
Cabinet hinges, drawers and pulls checked	Checked
Bathroom 1	
Toilet flush, fixture stability and visible connections checked	Checked
Sink and tub/shower flow, drainage and visible leaks checked	Checked
Exhaust fan, lighting and bathroom hardware checked	Checked
Mechanical systems and installed equipment	
Thermostat and heating/cooling response recorded	Checked
Air filter condition and fit checked	Checked
Installed smoke alarms: test results recorded by location	Checked
Installed carbon monoxide alarms: test results recorded by location	Checked
GFCI test/reset results recorded for applicable outlets	Checked
In-unit washer and dryer	Not installed

Illustrative checks only. This summary is not a safety certification or a guarantee of future performance. Technical results must come from the technician's recorded work.

FINAL REVIEW / SEPTEMBER 7, 2026

Managed by
Example Property Management

2. Final presentation review

A second person's room-by-room observations. This review does not claim that the reviewer personally repeated the technician's technical tests.

Review	Example result
Welcome and common living areas	
Entry, living room and hallway free of tools, debris and belongings	Reviewed
Visible wall/ceiling repairs, paint finish and trim reviewed	Reviewed
Flooring/carpet presentation and transitions reviewed	Reviewed
Windows, tracks, blinds and light fixtures visibly clean	Reviewed
Kitchen	
Counters, backsplash, sink and faucet presentation reviewed	Reviewed
Appliance interiors/exterior and cabinet interiors visibly clean	Reviewed
Bathroom 1	
Toilet, sink, tub/shower and mirror visibly clean	Reviewed
Visible caulk, grout, fixtures and accessory finish reviewed	Reviewed
Bedrooms 1 & 2 and closets	
Both bedrooms' floors, walls and windows reviewed	Reviewed
Closet shelves, rods and interiors visibly clean and clear	Reviewed
Outdoor space and final follow-up	
Patio/balcony presentation reviewed, where part of the home	Reviewed
Reported final-review concerns rechecked after correction	No sample concerns
Resident-facing follow-up No open items are shown in this fictional example. An actual report must disclose any approved follow-up with a responsible contact and expected date; unresolved required checks must not be presented as passed.
